The Oriental Polish contains cream of olive stone granules, kaolin, ginger, lime, mandarin and lemon which is applied thinly to a dry skin.

The invigorating effects of the **dry brushing** combined with the desquamating effects of the polish provide a thorough yet gentle exfoliation.

The light, creamy non setting **Oriental body mask** detoxifies the mind, body and soul. Eliminates toxins, perfect as a treatment for cellulite, effective over muscular aches and pains or to generally refresh and stimulate the circulation. Contains lemongrass, cucumber, aloe and green tea.

Oriental Harmonising Massage Foam – contains oils of vetiver, lavender and ylang ylang selected to give specific relaxation effects on the muscles whilst balancing the mind and body. The skin is softened, conditioned and deeply moisturised.

Oriental Body Lotion – A light body lotion with a tangy, sharp, purifying effect on the skin and body. The combination of botanical extracts aloe vera and green tea in addition to essential oils of spearmint, lime and lemongrass improve the circulation and elimination of toxins. Ideal to treat cellulite or apply generally to refresh and stimulate the circulation.

Royal Thai Body Mask – A beautiful, rich, exotic and aromatic non setting body mask. Sensual and relaxing on the mind and emotions, this powerful treatment mask with essential oils of sandalwood, jasmine, lemongrass and ylang ylang calms tension, lifts negativity, improves the mood soothing all the senses.

Royal Thai Body Lotion – A beautiful rich and intensive body lotion The scents of exotic essential oils of sandalwood, jasmine, lemongrass and lime with vitamins A B & E, honey and aloe vera condition the skin, improving surface texture and dryness.

PRIADARA ROYAL THAI TREATMENTS

Suitable for clients who are tired and lacking energy or in need of relaxation and pampering

Clients suffering from stress that has left them exhausted mentally and physically
Clients who need to stop and let their bodies and mind relax.

Select Royal Thai mask and lotion instead of Oriental
